Dear Shop Owner,

We have a little bit of everything this season. It was really fun putting this collection together!

First, *Wool Ewe Be Mine*: all about knitting, wool, and adorable sheep. (Look for the black sheep: everyone has at least one in their family!) Next, *Life's a Beach*: beautifully realistic fish and water prints. For Fall, we’ve gone apple picking with *Apple Blossom Festival*. And, to further celebrate the season, we have *Autumn Splendor*: Fall leaves and flowers, with exquisite touches of metallic gold. If you have a bit of wanderlust, we offer *Cityscapes*: spectacular scenic prints of New York and London. The collection’s finale, *Citron Twist*, is a nod to the modern quilter, in shades of citron and navy blue.

We know you have a lot of choices, so we just want to thank you for your support of Kanvas, and send best wishes for the New Year.

Sincerely,

Maria Kalinowski

Too much fun - whimsical sheep, knitted hearts, threads, labels - in one cool collection! Our sheep have great personalities and if you look closely, you'll see an occasional "black sheep" to spice up the group. Available in two colorways - a graphic black/white/red combo or a sage/pink/gray combo. (You'll probably want both.) Great for knitters, Wool Ewe be Mine would also make an adorable child’s quilt - the sheep are all there to count at bedtime!
