ASSEMBLY

This wallhanging consists of four blocks, sashing, cornerstones and a border. Make 2 of block "one"; make two of block "two".

- See block diagram. Refer to photo for color placement. Each block is composed of three units.

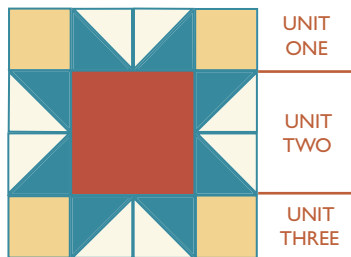

Unit One: is a row consisting of a square, half squares triangle block, another half squares triangle block, and a square. Begin by making two half square triangle blocks, using photo for color for placement. Sew together. Construct row as shown in diagram.

Unit Two: Make 4 half square triangle blocks, following photo for color placement. Sew 2 pairs together. Add to sides of center square.

Unit Three: Repeat Unit One and flip.

- Sew Woven Shirt red-and-blue sashing strips together. Add to sides of completed blocks, as shown in diagram.

- Add 2 1/2" yellow Barbed Wire Plaid cornerstone squares to the three blue Cowboy Way inner border strips. Add to top and bottom of Row One and to bottom of Row Two.

- Sew Row One and Row Two together.

- Add off-white Barbed Wire Plaid border to sides to quilt top.

- Add blue Ride 'Em corner stone squares to remaining border strips; sew to top and bottom of quilt top. Your quilt top is done!

- Cut batting and backing 2" larger than top on all sides. Assemble the quilt "sandwich" by placing the backing, batting and top together in layers and baste or pin with safety pins. Machine quilt as desired. When machine quilting is completed, trim excess batting and backing. Bind in the usual manner.
