WOF

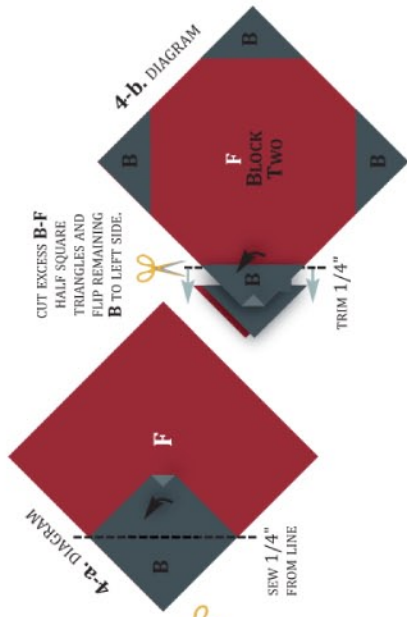

WOF=WIDTH OF FABRIC

Block Two: Make 9. Note: You will need to make a 9-1/2" square using clear template plastic for easier block cutting; or use a 9-1/2" square rotary ruler if available.

3. Use 9-1/2" square template to center **F** vases within diamond shape and to fussy cut vases, as shown on diagram 3-a. below. Cut 9 vases, use quilt photo for examples.

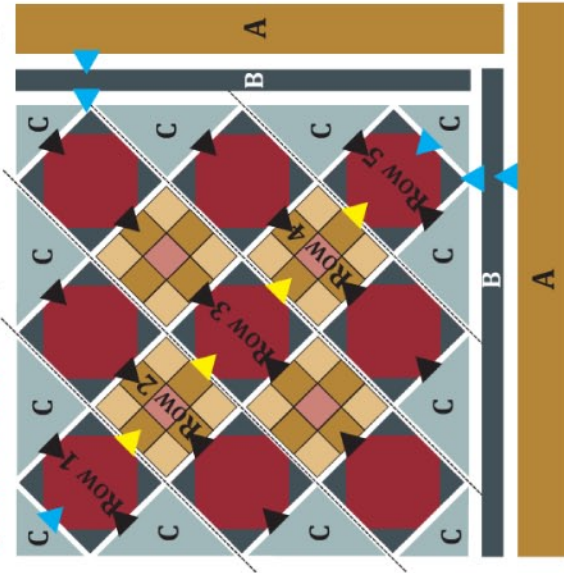

3-a. DIAGRAM

4. Take (4) 3-1/2" **B** squares and fold diagonally and press with iron or draw a diagonal line on wrong side. Place one **B** square on left hand corner of center diamond **F**, right sides together and sew on diagonal line, see 4-a. diagram above. Then press and trim excess fabric on reverse side to 1/4" as shown on 4-b. diagram above. Flip **B** triangle from right to left hand corner. Repeat steps for the remaining 3 corners. Make 8 more **BF** blocks.

QUILT ASSEMBLY This quilt is assembled in 5 diagonal rows. Follow quilt diagram below.

5. Start with adding **C** setting triangles to (1) Block Two to make Row 1. Then add **C** setting triangles to (2) Block Two. Add **C-Block Two** units to sides of (1) Block One, as shown in Row 2 diagram. Continue to follow diagram to complete Rows 3-5. Then sew Row 1 to 2 and so forth. To finish quilt top add **C** triangles to corners of Row 1 and 5.

Square quilt top before adding borders.

6. Add **B** inner sashing to sides of quilt top. Trim. Next sew 3 **B** strips short sides together. Add to top of quilt top. Trim. Add leftover strip to bottom of quilt top and trim.

7. Add **A** outer border strips to sides of quilt top. Trim. Add remaining **A** strips to top and bottom of quilt top.

FINISHING Cut batting and backing 3" larger than top on all sides. Assemble the quilt sandwich by placing the backing, batting and top together in layers and baste or pin with safety pins. Machine quilt as desired. When quilting is completed, trim excess batting and backing. Bind in the usual manner. FINISHED SIZE: 52-1/4" SQUARE.

BLOCK ASSEMBLY This quilt is made of two nine-inch finished blocks.

Block One: Make 4. Follow diagrams below.

1. Make 8 **EAE** units and 4 **ADA** units.

2. Then sew 1 **EAE** unit to bottom and top of 1 **ADA** unit, as shown in diagram on right. Block One is complete, square to 9-1/2" . Make 3 more blocks. Set aside.
