 IN CHART.

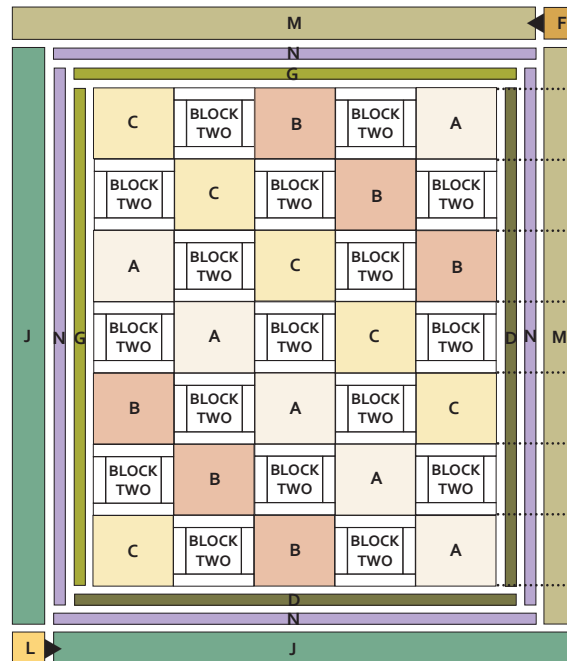

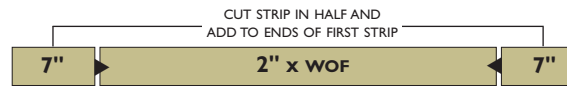

BLOCK TWO

*NOTE: USE OF CENTER
 RECTANGLE AND BORDER STRIPS
 DIFFER FOR EACH BLOCK.
 USE QUILT PHOTO FOR COLOR
 PLACEMENT OF PIECES.
 MAKE 17 BLOCKS*

Quilt consists of 5 Rows across and 7 Rows down with alternating blocks. *Follow quilt photo for color placement of blocks.*

- Sew blocks together in rows of 5. Then add Row 1 to Row 2 and so forth.
- Inner and outer borders must be pieced. For side **D** and **G** borders measure quilt center to determine the size of strips you will need. For the extra inches you need to add, cut a strip and divide it in two and sew to ends of a 2" x WOF strip. See diagram below. Don't forget to add 1/2" for seam allowance. Then sew **D** strip to right side of quilt top and **G** strip to left side of quilt top. Repeat step 2 for top and bottom **D** and **G** strips.
- Repeat piecing instructions on step 2 to add sashing border **N** strips to sides of quilt top. Then add to top and bottom.

- Repeat piecing instructions on step 2 to add outer borders. Begin with side borders **J** and **M** strips. Add **J** strip to left side of quilt top and **M** strip to right side of quilt top. Next add a 4 3/4" **F** square to right end of **M** strip. Sew to top of quilt center. Then add a 4 3/4" **L** square to left end of **J** strip. Sew to bottom of quilt center.

FINISHING Cut batting and backing 3" larger than top on all sides. Assemble the quilt sandwich by placing the backing, batting and top together in layers and baste or pin with safety pins. Machine quilt as desired. When quilting is completed, trim excess batting and backing. Bind in the usual manner.
