

PLAY DAYZ by Susan Correa

© 2009 Susan Correa for Benartex, Inc.

A great touch of 1950's nostalgia makes a fun play quilt for a child of today's generation! Susan's cheerful design combines the *Let's Play* panel squares with lots of bright florals, silhouette prints and tiny calicos. The combination is simply charming! (Add a backing of *Benartex Minkee* for an extra touch).

Uses fabric from *Let's Play*.
