ROW ASSEMBLY See quilt diagram for reference.
This quilt is assembled in thirteen diagonal rows.

1. Sew squares and triangles together in diagonal rows, as shown in quilt diagram. Then sew Row 1 to Row 2 and so forth to form quilt top. Press rows in opposite directions.

BORDER ASSEMBLY Measure width and length of quilt top to ensure border cutting sizes. Below are our measurements.
2. InNER Border Q: Sew (1) Q $3^{\prime \prime} \times(391 / 2 ")$ border strip to each side of quilt center. Sew (1) Q 3" x ( $44 \frac{1}{2} 2^{\prime \prime}$ ) border strip to the top and bottom of quilt center.
3. OUter Border: Lay out (11) A-K $41 / 2$ " blocks as shown in quilt diagram. Sew blocks together and press. Make 4 units. Sew (1) A-K unit to each side of quilt top. (Note rotation of units.)

Sew (1) P $41 / 2$ " square to each end of remaining two A-K units. Make 2. Sew (1) unit to the top and bottom of quilt top. (Note rotation of units.) Press.

With remaining units add $\mathbf{P} 4-1 / 2^{\prime \prime}$ squares to ends, as shown. Make 2 . Sew $\mathbf{P}$-unit to top and bottom of quilt top, ensuring ends match side border units, as shown in quilt diagram below. Press.
