Benartex
Fabric for quilters. By quilters.

THE QUILT SHOWN IS A DIGITAL REPRESENTATION. ACTUAL FABRIC REPEATS WILL VARY FROM DESIGN SHOWN.

Step 1 – the panel

✂ Trim the panel pictures to these measurements label each picture as you cut them (W x L):

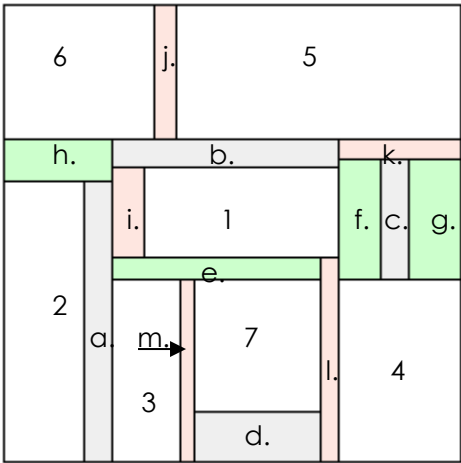

- 1) 14¼" x 7"
- 2) 6¼" x 20½"
- 3) 5¼" x 13½"
- 4) 9¼" x 13½"
- 5) 20¾"x 10"
- 6) 11¼" x 10"
- 7) 9½" x 10"

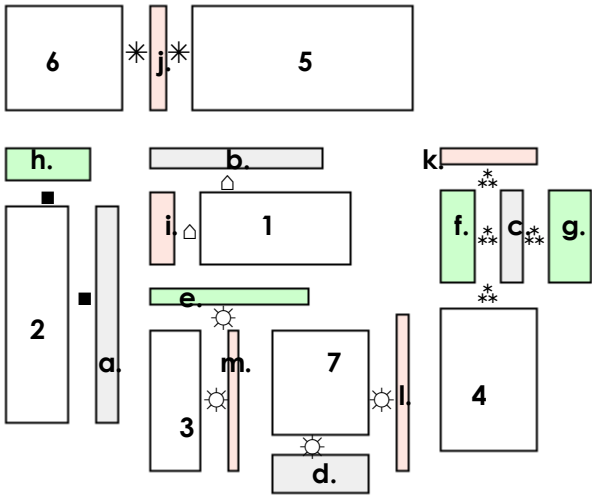

Step 2 – spacer strips

✂ Cut the following spacers from the FQs or quarter yard cuts and label each spacer as you cut them:

- Cut four from Fabric 1
 - a. 20½" x 2½"
 - b. 16½" x 2½"
 - c. 9" x 2½"
 - d. 9½" x 4"
- Cut four from Fabric 2
 - e. 15¼" x 2"
 - f. 9" x 3½"
 - g. 9" x 4¼"
 - h. 8¼" x 3½"
- Cut five from Fabric 3
 - i. 7" x 2¾"
 - j. 10" x 2"
 - k. 9¼" x 2"
 - l. 15" x 1¾"
 - m. 13½" x 1½"

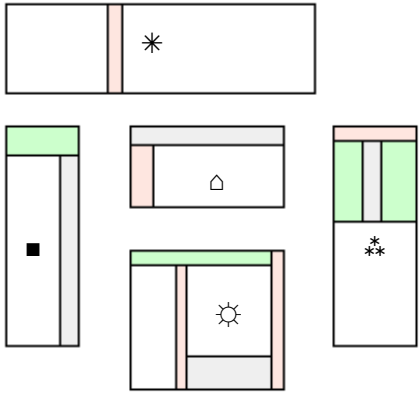

Step 3 – combining panel blocks and spacer strips

Press to the spacer at each step. (The unit measurement is in parentheses.)

- a) * sew j. between 6 and 5. (33" x 10")
- b) ■ sew a. to 2; add h. (8¼" x 23½")
- c) ☼ sew m. to 3; sew d. to 7. Combine 3m. and 7d.; add e.; add l. (16½" x 15")
- d) △ sew i. to 1; add b. (16½" x 9")
- e) ** sew c. between f. and g. and press to c.; add k. and 4 and press to k. and to 4. (9¼" x 23½")

- f) Sew the △ unit to the ☼ unit. Add the ■ and the ** units.
- g) Sew the * unit to the top of the combined units from f).

The quilt top should now measure 33" x 33". If your seam allowances aren't a perfect ¼", and your top isn't this size, cut the border strips to **your** measurements.

Step 4 – border

- ✂ From the border fabric cut four 3" x WOF strips. Subcut two at 33" and sew to the sides. Subcut two at 38" and sew to the top and bottom.

Step 5 – quilt and bind

Quilt as desired – an allover design, meandering, spaced diagonal or straight lines, outlining the pictures in the numbered blocks.

From the binding fabric cut four 2½" x WOF strips. Join end to end with diagonal seams. Press in half WST. Stitch to the front of the quilt and fold to the back. Either hand or machine stitch to finish the binding.
