### Blues (some are used again in the aqua section)

602-55; 603-55; 601-05; Black      Cut 4 2" strips from each fabric. Keep together and set aside.

### Greens

600-40; 601-40; 603-48; Black      Cut 3 2" strips from each fabric. Keep together and set aside.

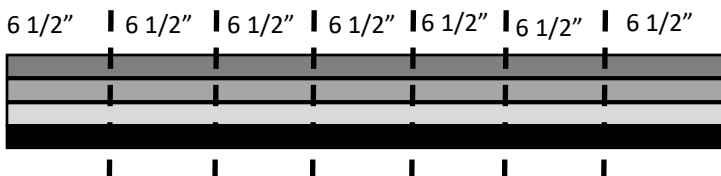

### Aquas (some are used in the blue section)

602-55; 603-55; 601-24; Black      Cut 5 2" strips from each fabric. Keep together and set aside.

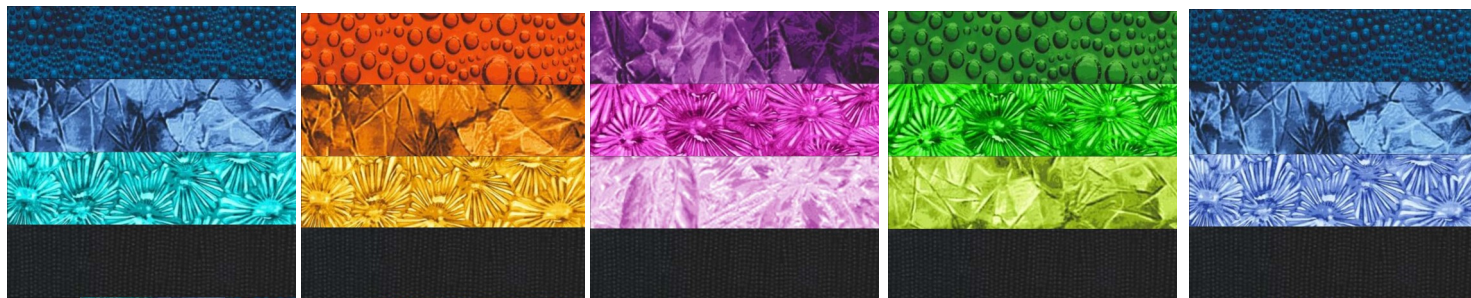

**READ ALL INSTRUCTIONS CAREFULLY BEFORE STARTING.**

## Instructions

This is an easy pattern to make! Sew one stripset at a time by color. The process is the same for all stripsets. Sew the strips together from the darkest color to the lightest color, then sew the black strip to the lightest color. Press your seam allowance to the darker fabric all along the way. Subcut each stripset into 6 1/2" sections. You may wish to square up each block to 6 1/2" square before proceeding.

Repeat the process until you have the following number of stripsets prepared.

Need 30

Need 34

Need 44

Need 15

Need 21

Refer to the large picture on the next page. Lay out the blocks, rotating as necessary to create your rows. Label the rows as you create them, pinning a piece of paper with the row number. Pin them to a design wall, if you have one. The first two rows are shown below.

Row 1

Row 2

Sew the rows together in order. Press your seams open as you go. When all 12 rows are sewn together, sew a black border to the top and bottom of the quilt top and trim off the excess. Press the seam allowance to the border. Then repeat the process by sewing a black border to the left and right sides of the quilt. Press in the same manner.

Quilt as desired, add a hanging sleeve, bind and label! Enjoy!
