BLOCK ASSEMBLY

1. Center Block Unit: Place a C 4 1/2" square right side facing up. Take (2) A 2 1/2" squares and place them right sides down in opposite corners. Draw diagonal lines from center to center of each square and stitch along the line. Cut the excess off the corners, leaving a 1/4" seam allowance. Press triangles out. Repeat for the other two corners to create (1) Center Block Unit. *Make 3.*

(Make 3)

2. Quarter Square Triangle (QST) Unit: Place 5 1/4" squares right sides together, pairing D fabric with a B or A. Draw a diagonal line from one corner to the other. Stitch 1/4" from either side of that line. Cut along line. Press HST (half square triangle) units open. Match one HST that combines D fabric and B, with another HST that combines D fabric with A fabric, right sides together. Again, draw a diagonal line from corner to corner, running perpendicular to the seam you just sewed. Stitch 1/4" on either side of the line. Cut along line. Press the 2 resulting QST units open. Units will measure 4 1/2" (unfinished). *Make 12.*
