FOR MAKING TEMPLATES:
1. Tape large templates together along dotted line. Then trace template, using solid lines onto paper side of freezer paper, MAKE SURE TO REVERSE IMAGES BY USING A LIGHT BOX OR WINDOW.
2. Cut out freezer paper images and press waxy side to wrong side of fabric. Trim fabric 1/4" larger to add seam allowance and glue stick the edges over the freezer paper.
3. Hand or machine stitch in place, using a glue stick to adhere pieces into position. After sewing in place, cut a slit on wrong side of quilt top and trim away excess, remove freezer paper.
