BLOCK ASSEMBLY

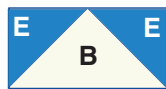

This wall hanging consists of (9) 12" blocks, with three rows. Please note that all the blocks (except the center) contain the same units, but the position and colors of the 4-Patch units differ. Be sure to check photo for correct fabric placement.

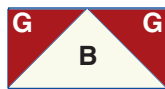

1) Begin by assembling your Flying Geese units. You will need...

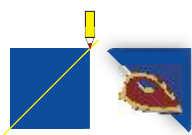

MAKE 16

MAKE 16

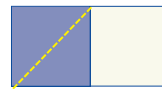

MAKE 4

Flying Geese units are made as follows:

A) Cut (2) 3 1/2" squares. Then either draw a diagonal line across the square or fold diagonally and press with iron.

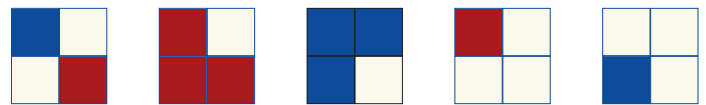

B) Place one square on left hand side of a 3 1/2" x 6 1/2" **B Bias Stitch** rectangle, right sides together. Sew on diagonal line.

C) Flip the lower right hand corner of square up to upper left hand corner. Press. Trim excess fabric on reverse side to 1/4" as shown below.

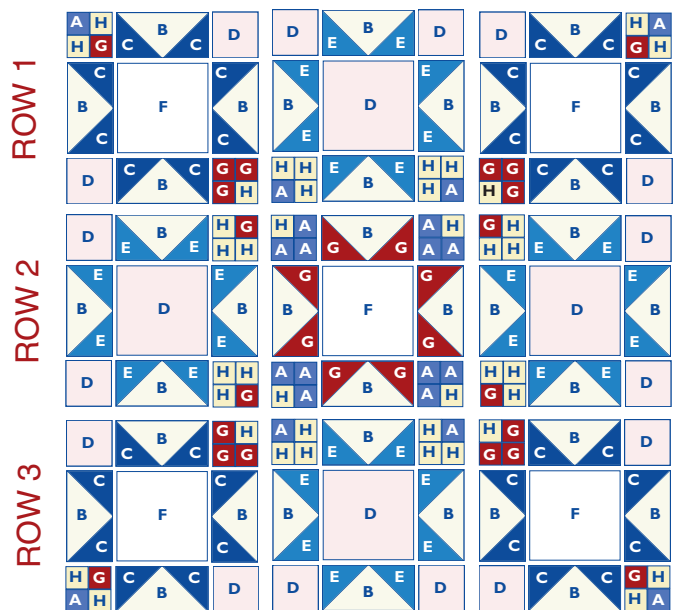

Repeat steps B and C for right side of rectangle. This is one Flying Geese unit as shown above on right.

2) Next assemble your four-patch blocks. You will need 20 assorted four-patch blocks. *Note: Refer to photo for piece and color placement.* Make 4 of each.

3) Begin assembling your quilt blocks for Rows 1, 2, and 3. *Be sure to note placement of four-patches!* When blocks are completed, sew them together matching seams.

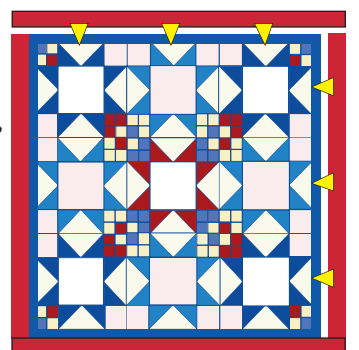

BORDER ASSEMBLY

NOTE: TOP AND BOTTOM (I) STRIPS OVERLAP SHORTER RIGHT AND LEFT SIDE STRIPS.

A) Add 1 1/2" spacer **J Bias Stitch** to all four sides of quilt top, trim to fit.

B) Piece all (4) border strips, Medium Floral **I** together—using straight seams—to make a strip approximately 168 inches.

C) Add strip **I** to right and left side of quilt center, *Trim to Fit*. Then add remaining strip to top and bottom of quilt.

FINISHING Cut batting and backing 3" larger than top on all sides. Assemble, quilt and bind using preferred method.
