# HIP TO THE JIVE

*Designed by Stephanie Sheridan and Linda Leathersich of Stitched Together Studios*

Jazz music is pretty spontaneous. Musicians have the opportunity to create their own interpretations with their tune in response to the other musicians' performances. Hip To The Jive is a spontaneous quilt that truly has that jazz feel to it. Black and white (like music sheets) with splashes of bold red really set the mood in this quilt. A great addition for any music lover.
