

## Midnight Flowers 48" x 60"

Using a #WTW10PK, divide the 10" squares into 17 groups of 2 colors each.  
Use one square for the darker center and a lighter square for the points in each block.

### Cutting-Make 17 blocks

#### In each star color group-

Cut 1 6-1/2" square from the darker center fabric

Cut 2 5" squares from the lighter point fabric  
They will be cut diagonally in both directions  
for the 8 triangles used on the points

You need 1-1/2 yards of #9618-12

#### Used on the black background in 7 of the blocks-

Cut 6 6-1/2" x 12-1/2" strips (the outer edges)  
Cut 28 3-1/2" x 6-1/2" strips (between the points)  
Cut 28 3-1/2" squares (for the corners)  
Cut 6 2-1/4" x WOF (for the binding)

You need 1-1/8 yards of #9618-11

#### Used on the dark grey background in 10 blocks-

Cut 40 3-1/2" x 6-1/2" (strips between the points)  
Cut 40 3-1/2" squares (for the corners)

Backing fabric 2-3/4 yards

Optional border fabric for a larger 54" x 66" quilt

Cut 4 3-1/2" x LOF (1-3/4 yards is needed)

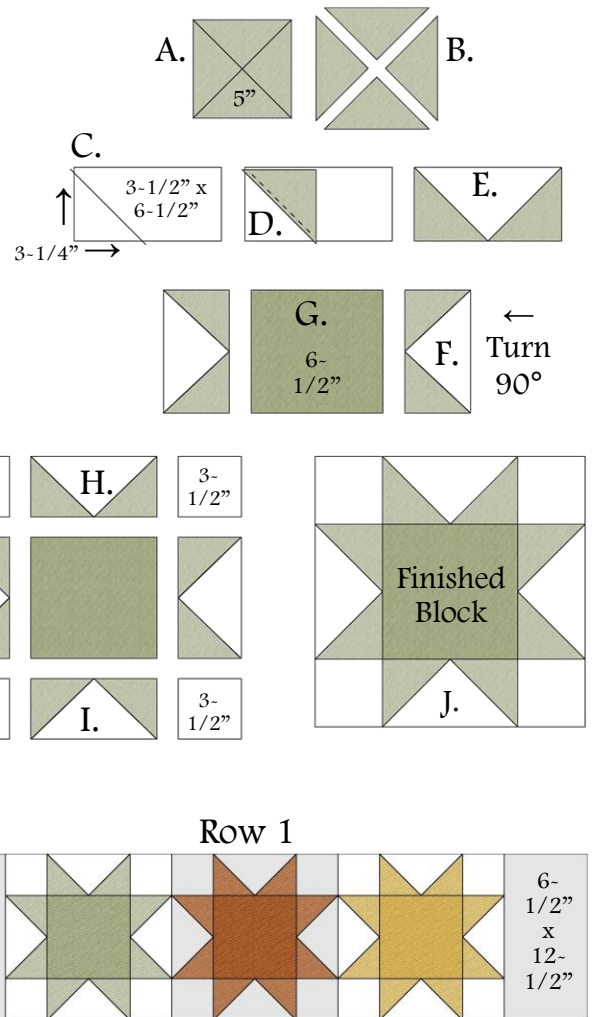

Or if you prefer to piece the border

Cut 6 3-1/2" x WOF (one yard is needed)

Use the remainder for the binding

## Block Assembly-

1. Draw a diagonal line in each direction on the back of the 5" squares to be used on the triangles for the points. See A.
2. Cut across each diagonal line. See B.
3. The best way to place the triangles all the same is to create a guideline on each side of the 3-1/2" x 6-1/2" strip itself.
4. Using a grey background colored 3-1/2" x 6-1/2" strip, measure and make a dot 3-1/4" from the bottom and to the right of the left lower corner.
5. Lightly draw a straight line from dot to dot. See C.
6. This is the triangle raw edge **placement line** (not the seam line).
7. Lay one triangle face down (RST) with the raw edge across the drawn line and pin to hold.
8. Sew a 1/4" seam across the triangle. See D.
9. Press the triangle open and repeat for the other side of the same grey background strip. See E.
10. Trim off the excess fabric on back.
11. Repeat the process for all 3-1/2" x 6-1/2" strips.
12. Turn two of them 90°. See F.
13. Sew one strip to each side of the center 6-1/2" square. See G.
14. Sew a 3-1/2" background colored square to each end of the remaining top and bottom row 3-1/2" x 6-1/2" strips. See H and I.
15. Line up and sew each block together. See J.
16. Make all 17 blocks the same way.
17. Lay out the blocks into five rows using the color picture as a guide, then sew each row across.
18. Sew a 6-1/2" x 12-1/2" black strip to each end of Rows 1, 3 and 5. See K.
19. Line up the rows and sew them all together.

Optional- Cut 4 3-1/2" x LOF border strips for a larger 54" x 66" quilt:

1. Sew a 3-1/2" x LOF border strip down each side.
2. Trim off the excess fabric.
3. Sew a 3-1/2" x LOF border strip across the top and bottom.
4. Trim again.
5. You will need 3-1/8 yards of backing fabric.

## Finishing-

1. Lay the quilt top on a layer of batting and backing fabric.
2. Hand or machine the quilt.
3. Sew the binding strips end to end, making a continuous strip of binding.
4. Fold in half lengthwise, with right sides out, and press flat.
5. Pin the binding around the edge of the pieced top with the raw edges to the outside edge of the quilt.
6. Sew the binding face down to the top of the pieced quilt.

7. Miter each corner as shown and overlap the ends.
8. Fold over to the back and pin in place.
9. Hand-stitch on the back of the quilt.

Add borders for a 54" x 66" Quilt
