CUTTING

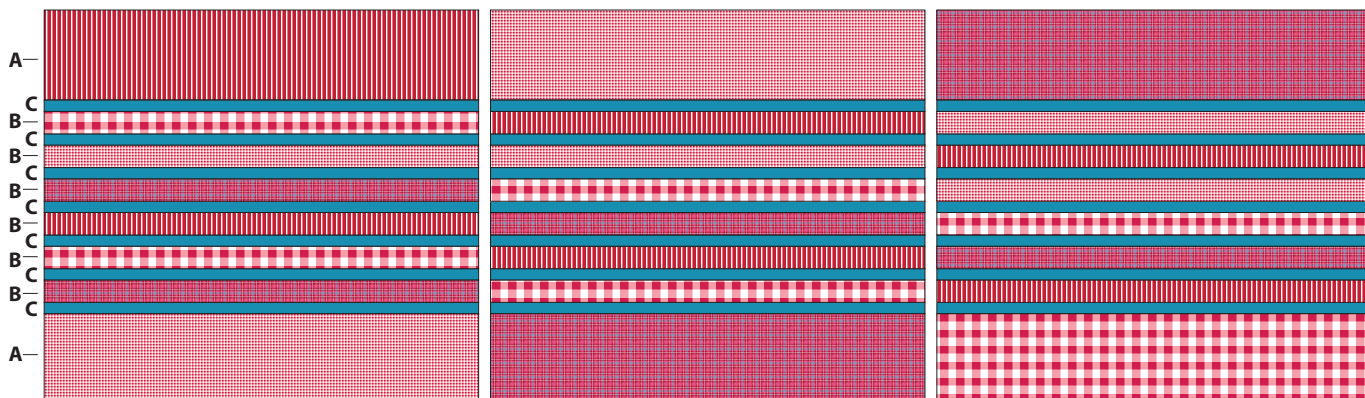

1. From both the Peppermint Mini Gingham and the Sugarplum Multi Plaid, cut:
2—29"×6¼" **A** strips and 4—29"×2" **B** strips
2. From both the Candy Cane Stripe and the HoHo Check, cut:
1—29"×6¼" **A** strip and 5—29"×2" **B** strips
3. From Spruce Mini Gingham, cut as shown in cutting diagram to keep the mini gingham oriented in the same direction:
3—21"×29" pieces
1—21"×39" piece
21—1¼"×29" **C** strips
1—55"×6¼" **D** top strip
1—55"×7" **E** bottom strip
2—55"×3½" **F** sashing strips

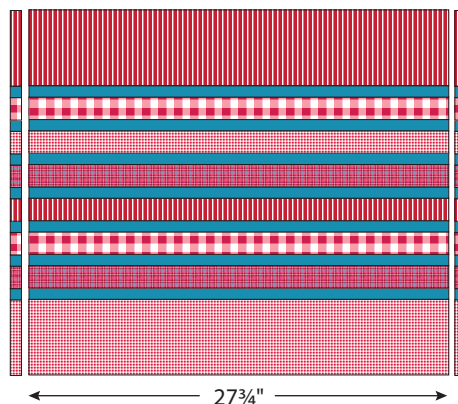

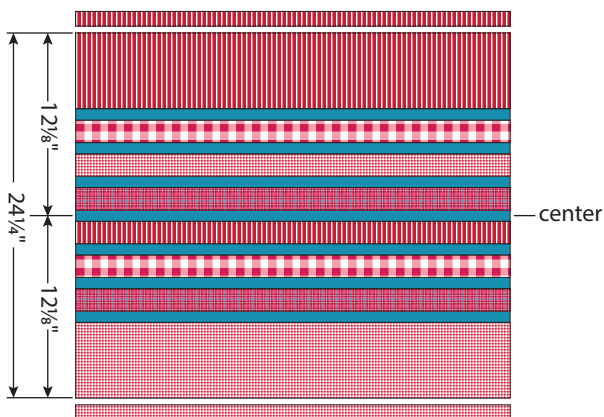

cutting diagram

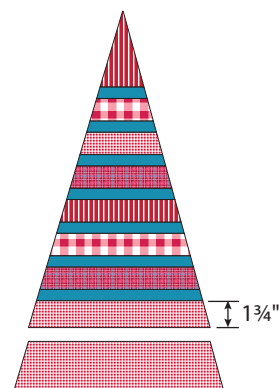

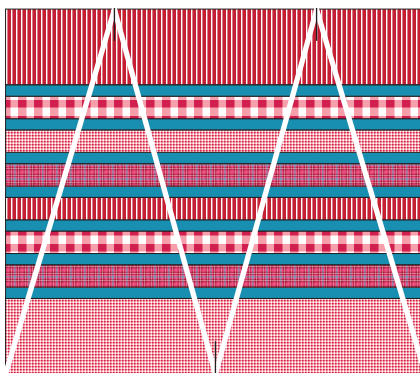

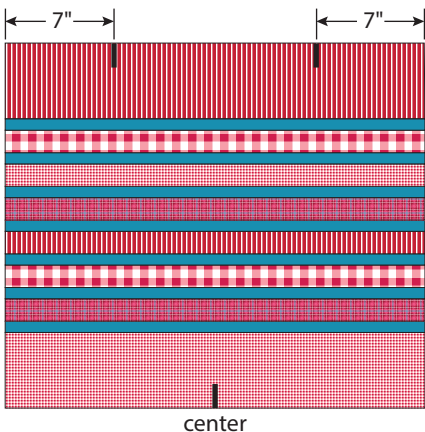

1. Sew 29" **A**, **B** and **C** strips into three sets as shown. Don't worry if edges aren't flush, they will be trimmed in step 3. We recommend pressing all seams open in this project for a flat, graphic appearance and to distribute the bulk of seams.

2. Fold set in half, measure $12\frac{1}{8}$ " from center in each direction, then trim. The trimmed strip will measure $24\frac{1}{4}$ " high.
3. Trim edges flush $27\frac{3}{4}$ " wide. The trimmed strip will measure $27\frac{3}{4}$ "x $24\frac{1}{4}$ ".

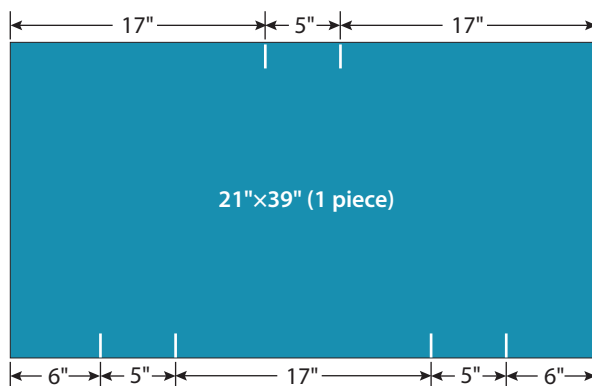

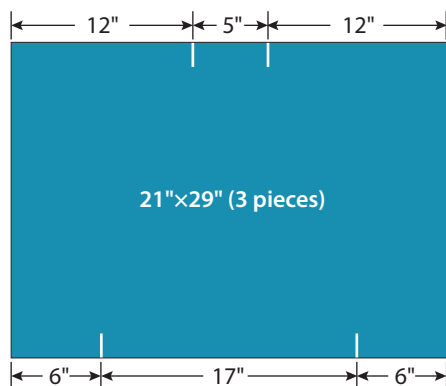

4. Mark top 7" in from the left and right. Mark bottom center.
5. Cut from corners and marks as shown to make three "trees". Repeat steps 2-5 for remaining two sets.
6. Cut base red strips $1\frac{3}{4}$ " from bottom of teal stripe for all "trees".

CUTTING PART 2

1. Mark 21"×29" and 21"×39" pieces as shown.

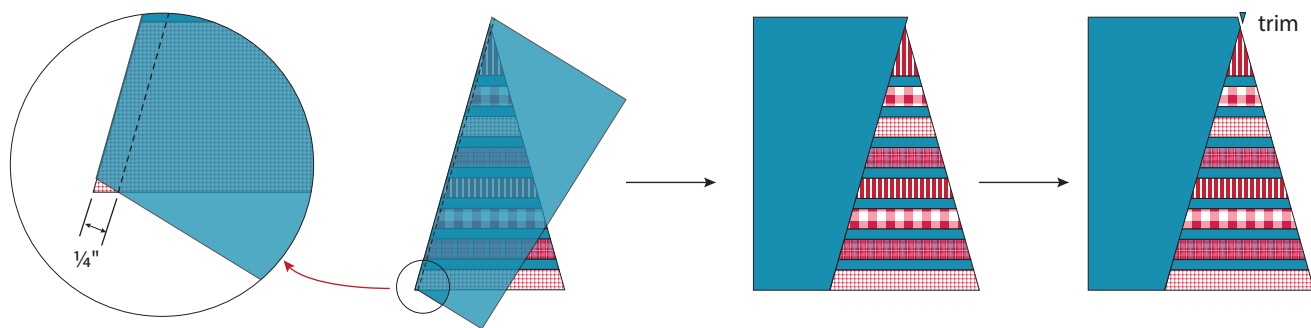

2. Cut as shown to make a total of 6 **G** and 6 **H** pieces.

ASSEMBLY

1. Lay out pieces as shown in assembly diagram.
2. Sew in rows. When sewing **G** or **H** pieces to trees, align bottoms so that corners overlap by 1/4" as shown in detail. Pin, then sew and press open. Trim edge flush.

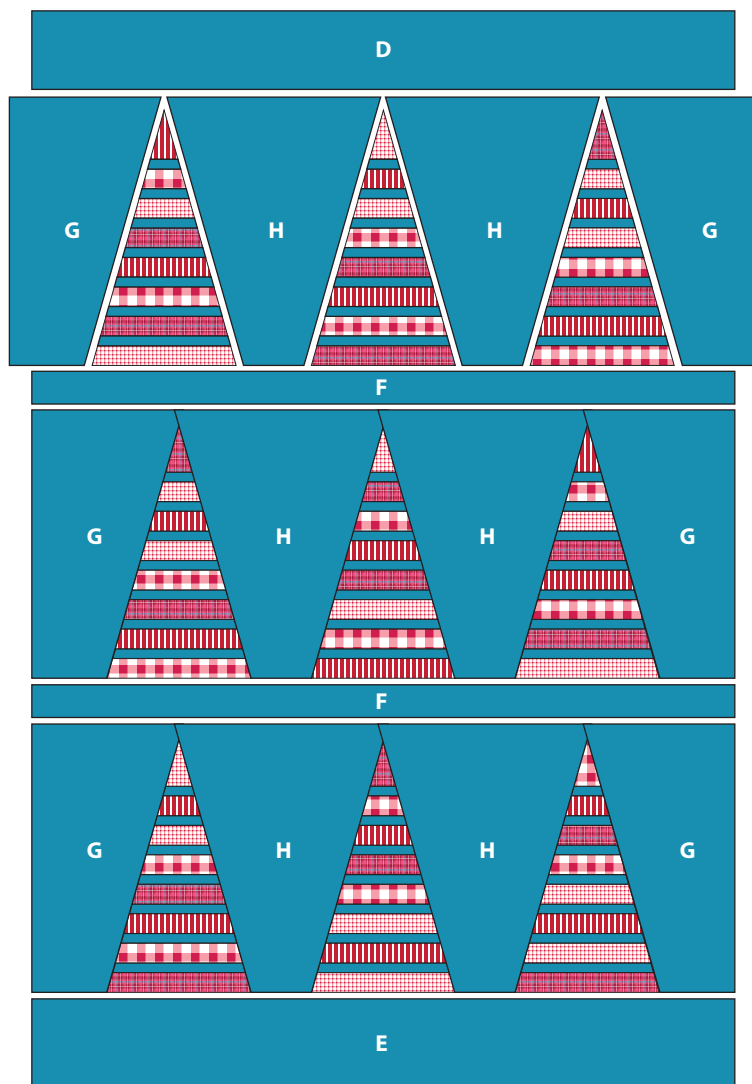

3. Sew together rows, sashing strips, top strips and bottom strips.
